

Changing meanings, changing functions

Papers relating to grammaticalization in contact languages

edited by
Philip Baker & Anand Syya

Deirdre's MA research paper, *Clause Reduction in Asyndetic Coordination in Isle de France Creole: the 'serial verbs' problem*, co-authored with her supervisor, Professor Chris Corne, and Simon Curnow, was published in **Changing Meanings, Changing Functions**, edited by Philip Baker & Anand Syya, University of Westminster Press, 1996.
